

Diakoniewerk

Community work
Neighborhood work

Why?

- prevention (also of costs for the city)
- participation
- quality development of services
- networking

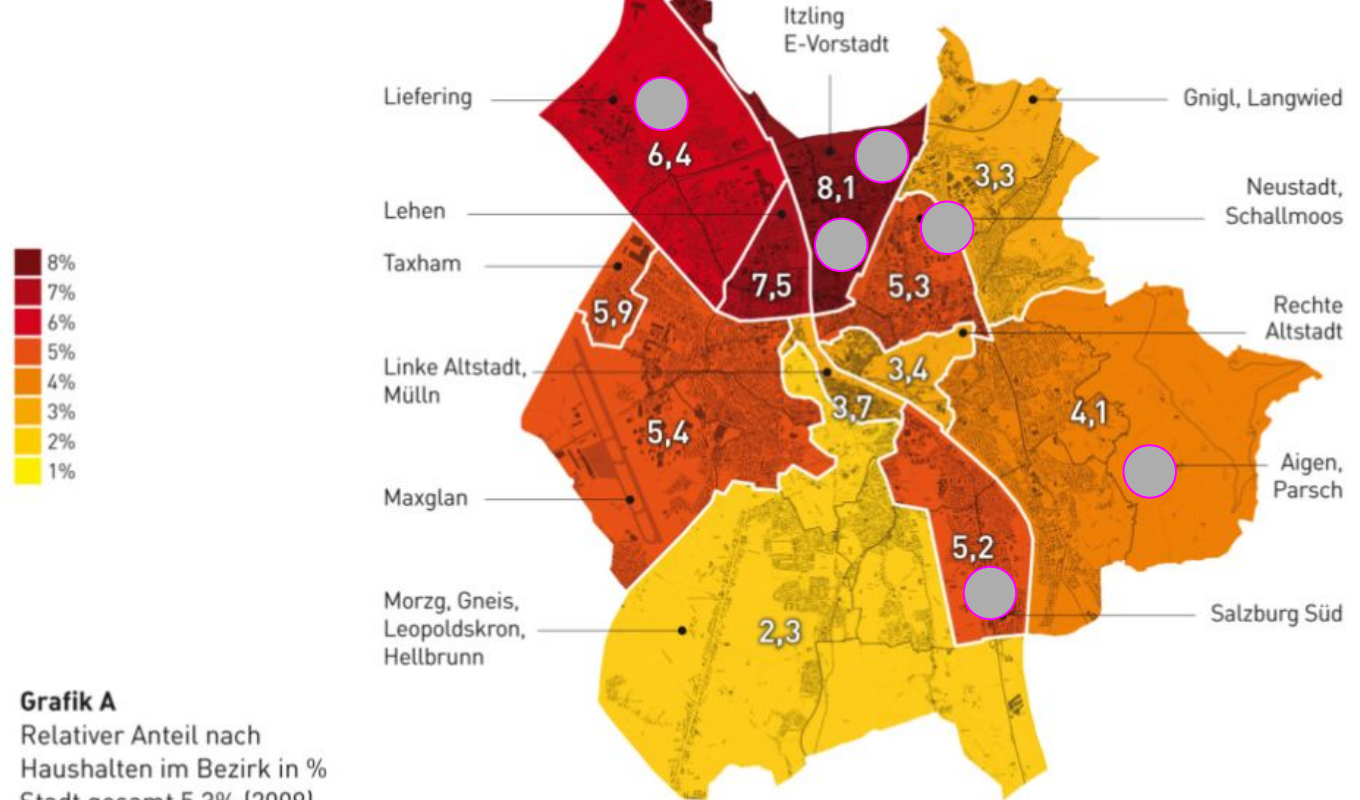

How?

- Events & Projects (see later)
- networking
 - know the “kiez”
- 2 different concepts

Community work

- paid for by city
- counseling & information
- political engagement for community (?)
- early warning system for developments

Verteilung Sozialhilfe/BMS Stadt Salzburg

Grafik A
Relativer Anteil nach Haushalten im Bezirk in %
Stadt gesamt 5,3% (2009)

Quelle: Salzburg in Zahlen 2010

neighborhood work

- paid for by residents (higher rent)
- counseling and information
- housing and neighborhood affairs
- dealing with conflicts

Projects

Bleib-Steh Cafés

Projects

StoP - Initiative against violence in partnerships

Projects

Social Prescribing

conclusion

- much potential in organising social work and making it more accessible
- low-threshold (?)
- who is targeted
- neutral (?)
 - sounded reactionary
 - who feels invited, who doesn't and why?
- independence (?)
